The Philips Guarantee
The Philips range of advanced multimedia projectors combines portability, reliability and unsurpassed performance with a host of technological innovations. All of which ensures that you enjoy impressive and hassle-free projection wherever you are. What else would you expect from the innovative world leader in sound and vision technology?

3-years warranty and free support
Every bSure projector comes with a full three-year warranty. This unique offer is backed up by the outstanding Philips First Choice* services, including a toll-free helpline, that offers you assistance and advice seven days a week. For more difficult problems, you're guaranteed, for the first year, a temporary replacement with free delivery, within 48 hours. It's simply an unbeatable package.

Extreme compatibility
Philips projectors are extremely compatible with a whole range of data and video sources, thanks to their highly advanced scaling technology, which converts signals without any loss or deterioration. It's a serious advantage when you need to make an extra special impression with a mind-blowing multimedia experience.

Design and specifications are subject to change without notice.
